GREETINGS

Dear Hiring Manager,

Thank you for the opportunity to apply for the Graphics designer role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a quality-oriented recent college runner (Bachelor in computer application) from Pokhara university. During the course of my academic career, I also managed to accrue nearly 3 months of work experience. I had the privilege of working for Medicos international in a graphics design role in my free time, where I learned valuable professional skills such as web design, system design procedures, and product design. In both my academic and professional life, I have been consistently praised as focused by my professors and peers. Whether working on academic, extracurricular, or professional projects, I apply proven communication, creative thinking, and analytical skills, which I hope to leverage into the Graphics designer role at your company.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at (982) 517-1228 or via email at bimal.chhetry122@gmail.com to arrange a convenient meeting time.

**THANK YOU
BIMAL CHHETRY**
